NORTH LANSING AUXILIARY Election Day diners consumed more than 800 chicken & biscuit dinners and ham suppers. The money raised by the exhausted auxiliary members helps fund the Lansing and Genoa Food Pantries, scholarships to all graduating Lansing seniors in Fire District #4, Hospicare, flood and fire victims, delivery of Christmas poinsettias to seniors in Fire District # 4, and the "adoption" of families through the Salvation Army to assure Christmas toys for the kids as well as clothing and food for the families.

DEMOCRACY COUNTS - Election Inspectors Vicki Elliott, Dorothy Buckley, Nina McAndrews and Carolyn Montague verify last week's District 1 tallies.

PANCAKES GALORE were consumed at the Aurora' Rotary Clubs Nov. 3 fund-raiser at the Poplar Ridge Fire Hall. The event coincided with the year's first dusting of snow.

We're still looking for correspondents for the *Village of Lansing, Myers, North Lansing, Cayuga Heights* and *Genoa*. Don't be shy. Great literary talent will never be refused, but we're more interested in simple reporting of the ordinary daily events that are the heartbeat of our hamlets and neighborhoods.

LUDLOWVILLE

The Ludlowville Creek Kids' Road and community Park Cleanup has been rescheduled for Saturday the 16th. Please join us for orientation and trashbag handout in the Ludlowville park at 1:00 pm. Bring gloves.

The trees donated by Greentree Nursery and the Cayuga Landscape Co. that were planted in our park this spring by our loyal Lansing parks and recreation crew have all established themselves nicely. With the extra watering by Ludlowville neighbors through the dry spells, they have the start they need to beautify the park for many years to come.

It seems not everybody is appreciative of our efforts to upgrade the Ludlowville Park. Vandals have recently ripped the meter box off the bandstand (extremely dangerous), broke the light bulb, tore a shrub out of the ground, and (upon breaking the toddlers' spring play equipment) threw one over the falls and another into the woods.

The recent rains raised the level of Salm on Creek considerably. Those streamside

residents that suffered great property loss during last January's flood were holding their collective breath, but the bulldozer reconstruction of the storm-damaged banks worst hit last winter seemed to be holding their own this time.
