Lansing Mermen Swim To The Top

STOP PRESS: Lansing topped Watkins Glen, Odessa-Montour and Thomas Edison on Saturday to win the IAC Class C-D title with 348 points. "The team's depth was the key factor," said coach Terry. "We had a finalist in every event." Ricky Ducharme and Mike Dende broke their previous Lansing's records in the 100 yard backstroke (57.86 seconds) and 50 yard freestyle (22.59 seconds). Full coverage will follow next week.

By Coach Bob Terry

At the end of last season, the boys' swimming and diving team anticipated a slow rebuilding year.

Thanks to 10 powerful point-winning seniors, last year's boys team was able to tie with Odessa as dual meet champions; win the EFA invitational; take second at the IAC championships; and then win the Section 4 championships. To top it off, the mermen gained their sports laurels while achieving Academic All American status for the team's combined grade point average.

With the depth and power of those seniors gone, the oldest members of this year's squad being five juniors and 13 freshman newcomers, it definitely looked like a year to start over again. There was much learning to be done in terms of technique, mechanics and the competitive nature of the sport.

As the season progressed, the boys did just that. The IAC league was close and competitive this season with great matchups between Lansing, Dryden, Odessa, Watkins and Waverly. More often than not, the meets would go right down to the last relay to determine the outcome. As the teams squared off, it was a matter of who

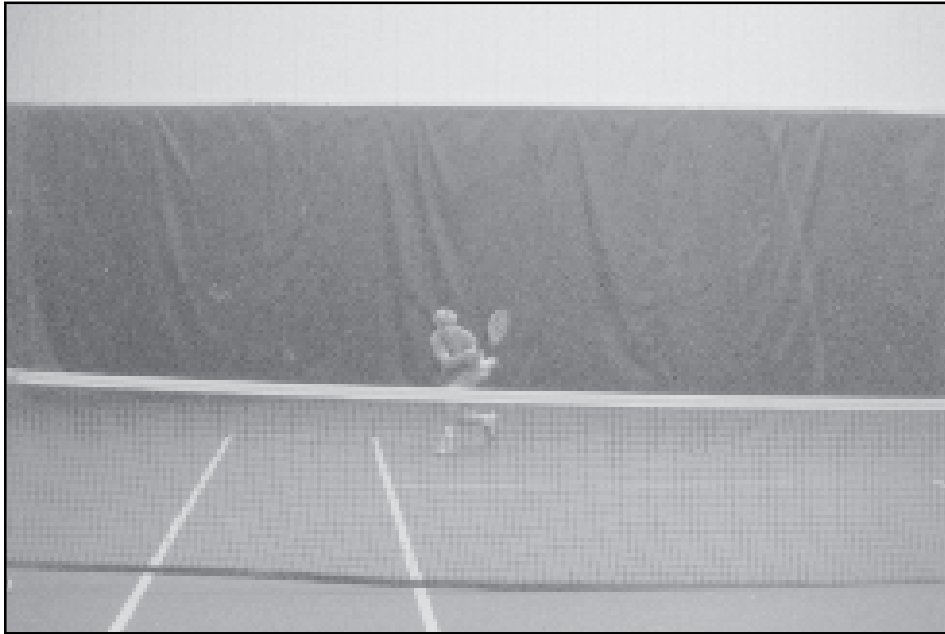

was hot and who was not.

After innumerable laps across the high school pool, Lansing put together 10 "good days," swimming and diving to a 10-2 record to secure the IAC Dual Meet Champions trophy. The only team to beat the Bobcats was Watkins Glen.

Over the course of the season, school records were broken by Ricky Ducharme (100-meter Back & 200 IM), Mike Dende (50-meter Free), and Rich Clark (100-meter Breast). The 200-meter medley relay team of Ducharme, Dende, Clark and Mike Skvarla also set a new pool record that was later beat by Odessa.

In all, it has been a surprisingly positive season. The boys finished 4th at the IAC championships last week behind winners Dryden, Waverly and Odessa. Watkins finished 5th behind the Bobcats. The sole meet champion from that day was Mike Dende in the 100 freestyle.

Regardless of winning or losing, the boys established good team rapport and have begun to set their sights on the future of their young squad. With only the sectionals left, the boys are focused, determined and most importantly, always having fun.
