

SNOWBELT BANTAM WHITE - Coach Bill Lucas helped Lansing players Jamie Wright and Chris Lucas this year at the RINK as the team captured 5th place in the 8-county, 11-team league.

Two Lansing Youths Contribute To Snow Belt Bantam Whites' Growth

By Stephanie Meyer

Lansing teens Jamie Wright and Chris Lucas made their mark this year leading their Ithaca Snow Belt Bantam White hockey team earn a 1997 fifth place finish in their 11-team, 8-county league.

Lucas earned top scoring honors with 74 goals, 78 assists and 152 points, while Wright came in second with 83 goals, 64 assists and 147 points. With the Lansing twosome gliding around the ice like hot knives cutting through butter, the Bantams won 10, lost five and tied one game.

"All twelve skaters have been playing well this year," commented coach Bill Lucas.

Though fourteen year-old Jamie Wright and fifteen year-old Chris Lucas are the only Lansingites on the Ithaca team, that's not the only thing they share in common. Both are forwards and have been playing hockey together since the age of five. This probably accounts for their efficient teamwork, said

coach Lucas.

Because the team has only 12 members, Lucas and Wright frequently play in defensive positions as well. Being on both ends of the puck's forward motion builds versatile players.

Despite the Lansing players' dominance, the Snow Belt Bantam White's success in placing first, second and third in various tournaments has been a complete team effort. "Without everyone's contributions, we couldn't have made the progress we achieved this year," concluded coach Lucas.

In League play, the Ithaca Snow Belt Bantam Whites placed behind the Elmira, Oswego #1, Fulton and Oswego #2 teams.
