2nd Spring Concert Features Elementary Through HS Youth

Hello everybody,

"Ti-i-i-ire is on my side, yes it is." Too bad, Mick. Living in England, you probably didn't make it to the Lions' Pancake Breakfast last week. But if you want to know why they held it on the first Sunday of April, just look at your calendar. We're now on Daylight Savings Time.

That reminds me that it's time for another puzzle. Can you guess it's timely topic? So, have a good time and let me know if you liked it.

And if you want to submit a puzzle, send it to **J-P, 204 Wilson Road, Lansing, NY 14882.**

The Syvertsens

Hi, Neighbor!

Tom and Cynthia Syvertsen live at 314 E. Cortland Street, Groton, where two "lions" guard the front entry. He's with Warren Real Estate, and she has been recently as a District Representative for Aid Association for Lutherans.

"Through the years," Tom says, "we've had a very fine relationship with the First National Bank of Groton. As we bought homes and fixed them up for resale, The Bank provided interim financing.

"Our banking connection always has been a two-way street; we refer clients to The Bank, and they've been gracious in helping us build our business!"

Cynthia and Tom have a son, Christopher, who worked for The Bank his senior year in high school. A King's College grad, he's now an accountant in Morristown, NJ. Their daughter, Erika, is a senior at Penn State.

The Syvertsens (she's originally from the Binghamton area, and he's from the Cortland area) have lived in or near Groton for the past twenty years, six of them in this comfortable, well-cared-for home. And though they say, "We've mostly done our banking business with Ny Harrison or Gary Watrous," they're quick to add, "but you could say we're on a first name basis with all our good neighbors at The Bank."
