Blue Moon Team

LSP - Intermediate Blue Jays

We will cheer after every game, and high five or low five through the hand shake line each game, whichever we decide at the beginning of the game.

The girls' attendance has been great even with the early season start dealing with the cold wet windy weather. They are enthusiastic about learning the fundamental ball skills necessary to play the game. Everyone pays attention and cooperates by following directions. We seem to have some exceptional speeders on the bases. I'm not sure if they are always this fast or if they are trying to stay warm.

Some serious back patting is going on. The girls are happy and excited about games and batting that ball. We encourage a strong sense of accomplishment, fairness, sportsmanship, kindness and leadership and everyone is learning to compliment each other. These girls are an absolute pleasure to work with and we'll all have fond memories of this year. Go, let's have all the fun we can everyday!

International League II : Gold

In the coming years we can visualize the players of the Lansing Varsity Softball Team. Although they're only third and fourth graders now, we see that they have developed some excellent skills on the ball field. By the time they get to this level, most players are focusing on teamwork, cooperation and sportsmanship. They are no longer doing cartwheels and picking daisies from the field.

Come watch our future stars on Tuesdays or Thursdays (unless it's raining). **Playing are:** Aubrey Rodgers, Katy Hartz, Katie Hranek, Katy Dhimitri, Beth Farmer, Kensey Torrey, Caroline Baldini, Victoria Linde, Christina Foster, Erin Pruckno and Kayla Grygiel. **Coaching are:** John Rodgers, Susan Hranek, Greg Hartz and Beverly Hartz.

"Turquoise Twisters" Junior Team

Our group of kids is primarily made up of 5th graders. They have gone through the early years playing against each other and being schooled together. We only have one 7th grader (Jessie Kaminsky) and one 6th grader (Meggie Conley). They both have the ability to set good examples for the little twisters. Jessie is also a member of the modified team.

These kids are pretty tight knit with a strong desire to win. With position rotation every two innings, we cannot always have the best player at each position, but the girls are supportive of each other and quick to forgive mistakes. The rainy spring has caused cancellation of half our scheduled practices, but we managed a 15-15 tie our first game.

The team is bolstered by the play of Angelina Melice, Erin Carlson, Jessie Kaminsky, Amanda Catone, Amanda Fessenden and hard headed Kim Jayne who caught a line drive in the chin in the first inning of our second game. Kim sat out 1/2 an inning, but was back in with a swollen chin and the desire to play. This will definitely be a year of learning and developing skills for these young and willing kids.

Players: Jessica Kaminsky, Meggie Conley, Dana Conley, Kristen Kemp, Kristal Kemp, Erin Carlson, Jessica Sherman, Amanda Catone, Amanda Fessenden, Leah Koltko, Lauren McDonough, Rachel Ward, Angelina Melice and Kim Jayne.

Coaches: Barry Carlson, Jack Sherman and many parent helpers.
